Mr. Erik Aas, Managing Director of Grameenphone, Mr. Md. Abdullah Bokhari, President of Dhaka Stock Exchange, Mr Ahmad Rashid, Senior Vice President, Mr Sharif Ataur Rahman, Vice President and other DSE Directors were also present at the signing ceremony.

GP Business Solutions is an integrated telecommunications service, specially designed for the business entities of Bangladesh, providing customized telecommunications solutions through a consultative approach, tailored to the needs of individual businesses.

The DSE is the prime bourse of the country. It offers facilities for transparent and highly efficient mechanism provisions for secondary market activities of shares, debentures and wide varieties of other securities. Presently, it offers trading facilities for 310 securities worth Tk 323.37 billion, which accounts for 6.71 per cent of the country's GDP (gross domestic product). Comprising modern mobile telecommunications services for any business needs, the GP Business Solutions provides voice, text messaging and mobile data and Internet services.

Also on offer will be a complete mobile-office solution, including mobile email, mobile high-speed data access, internet access, mobile fax and more, providing the freedom to work from anywhere within GP's wide coverage area. According to the agreement, the DSE will be provided with complete communications solutions tailored to its needs, including voice, data and other services. The DSE will use the services to further improve communication among its different offices, at an affordable cost.
